On 07/02, PCSO 6024 conducted a beat surgery in Syston town square, which allowed residents to raise local concerns and

On 05/02, PCSO 6098 conducted her monthly beat surgery at East Goscote library.

### Crime prevention advice:

Please remain vigilant and report any suspicious activity without delay and if you feel a crime is in progress then call 999 and take this time to review your own security.

Check your lock barrels - if they do not have a 3 star ☆☆☆ rating, which are anti-snap security cylinder which provide the best protection against known cylinder attacks methods, then you could and should consider replacing/upgrading them.

Look at having a security light fitted, alongside good quality CCTV and ensure that windows and doors are left locked and secure and do not leave valuables on display - this can include empty boxes of that new PSS, ipad or similar.

Alongside this check how accessible your rear garden is - fix that lock on the gate, replace that fence panel - also a brilliant deterrent is some defensive planting around the perimeter of rear gardens.

On 15/02, local officers and police volunteers conducted a bike register event at Watermead Park. Despite the cold weather we had a number of members of the public who took the opportunity to get their push bikes registered to the national data base. This assists us to recover and re-unite bikes with their owners should they be stolen. We regularly hold bike registration events so if you are interested, please keep an eye on our upcoming engagements on our website.

This time we conducted checks on Main Street as this was highlighted a real issue for speeding vehicles on the beat. Those that were over the speed limit have been dealt with accordingly.

On 08/02, PCSO 6024 conducted a beat engagement at the post office in Queniborough and then conducted high visibility foot patrols in the area.

The beat team have been conducting burglary patrols around the NL61 beat, which consists of evening foot and marked car patrols throughout the villages in the residential areas. This is due to an overall increase in burglaries during the winter period. On 08/02 PC 815, conducted patrols from 2am- 4am across the targeted areas on the beat.

Unfortunately, PC 815 has now adventured on with his career and is no longer part of the beat team.
